

# Honeymoon at the Woodward Hotel

---

Geneva

The symbol of the «world's smallest metropolis» is the “Jet d’eau” – a fountain with a 140-metre-high water jet at the periphery of Lake Geneva. Most of the large hotels and many restaurants are situated on the right-hand shore of the lake. The old town, the heart of Geneva with the shopping and business quarter, holds sway over the left-hand shore. It is dominated by St. Peter’s Cathedral, however the actual centre of the old town is the Place du Bourg-de-Four, which is the oldest square in the city. Quays, lakeside promenades, countless parks, lively side streets in the old town and elegant shops invite guests to stroll. One of the best-maintained streets is the Grand-Rue, where Jean-Jacques Rousseau was born. The «mouettes», a type of water taxi, enable crossings to be made from one lakeshore to the other, while larger vessels invite visitors to enjoy cruises on Lake Geneva.
