

Zurich is a city that offers variety. A city where urban life is never far from nature. The old town can be found alongside the hip district, and luxurious brands alongside trendy labels. Opportunities for sightseeing and enjoyment of art are guaranteed. Parks and laid-back bars can be found by the lake or river. And you can get from A to B in no time at all by tram or by bus.

The city is situated at the northern tip of Lake Zurich and on the Limmat river. Whether for a coffee or beer at a waterfront restaurant or a cruise on Lake Zurich with views of the Alps: the city is virtually unrivalled when it comes to combining cosmopolitan flair, nature and indulgence.
